PERRO CALLEJERO
MALBEC BLEND

Perro Callejero – "stray dog" in Spanish– is loyal to his principles and a tireless seeker. Guided by his sense of smell, he faces his fate day by day. A Stray Dog willing to search for that golden bone to the last consequences. Don't try to tame him...he's his own master.

VARIETY & VINEYARD LOCATION

100% Malbec.

50% Malbec from *Uco Valley*, 50% Malbec from *Luján de Cuyo.*

HARVEST

This wine is crafted from a blend of grapes sourced from different regions: one part comes from vineyards in the *Uco Valley,* and the other from *Agrelo* and *Perdriel.* The vines are trellised (espalier system) and are over 12 years old. They feature stony soils that provide excellent drainage, allowing for optimal root development and a perfect balance between leaf growth and fruit yield.

VINIFICACIÓN

Fermentation takes place in concrete vats and stainless steel tanks using indigenous yeasts from each vineyard.

Extraction techniques are prioritized during the early stages of the process, determined through daily tasting. Low working temperatures ensure a slow and controlled fermentation, emphasizing the intensity of fruity flavors.

NOTAS DE CATA

It displays an intense red color with ruby hues, featuring aromas of dark fruits such as plum and cherries. On the palate, it showcases good acidity with a round and lingering finish.

It may contain natural sediments.
