VARIETY & VINEYARD LOCATION

100% Pinot Noir.

Valle de Uco y *Luján de Cuyo – Mendoza.*

HARVEST

This wine is crafted from a blend of grapes sourced from different regions: one part comes from vineyards in the *Uco Valley,* and the other from *Agrelo* and *Perdriel*. The vines are trellised (espalier system) and are over 12 years old. They feature stony soils that provide excellent drainage, allowing for optimal root development and a perfect balance between leaf growth and fruit yield.

WINEMAKING

Winemaking takes place in stainless-steel tanks, at temperatures below 23°C (73°F), maintaining 30% whole bunches.

Extraction activities are gentle at first, and they are carried out every other day during the final stage of fermentation. The result is a fresh, very fruity wine with a medium structure.

TASTING NOTES

It shows abundant fresh fruit, accompanied by subtle mineral and earthy notes. The acidity interacts dynamically, refreshing and enhancing the red fruit flavors.

It may contain natural sediments.
