MOSQUITA MUERTA WINES

SAPO DE OTRO POZO

RED BLEND

No matter where he falls, his presence is imposing. Even if uninvited, he cannot go unnoticed. "Sapo de otro pozo" is the outsider who likes to play in the visiting team.

VARIETIES & VINEYARD LOCATION

60% Malbec - 20% Syrah - 20% Cabernet Franc.

Valle de Uco, Mendoza – Argentina.

HARVEST

Hand-harvested with on-site vineyard selection.

The grapes are sourced from a meticulous selection of estates in the *Uco Valley,* located between 3.300 and 4.300 feet (1.000 – 1.300 m.a.s.l.) above sea level.

WINEMAKING

Each component is crafted separately in small concrete vats to preserve the identity of each variety. *Malbec* (60% of the blend) provides aromatic intensity and fruit expression. The *Syrah* is made using traditional methods, incorporating a proportion of whole clusters that contribute to a defined tannic structure. For the *Cabernet Franc,* pre-fermentation techniques are prioritized to enhance its distinctive aromatic profile and freshness.

TASTING NOTES

This wine displays dark fruits and herbal notes. On the palate, it is creamy, fresh, and elegant. May contain natural sediments.

It may contain natural sediments.

95 pts. Descorchados | 93 pts. Robert Parker
